Valerie,

Feel free to e-mail Ruth at home (jdempsey@swissonline.ch). By the way, I spoke to Ruth yesterday, and she indicated she probably could make either of the two weeks indicated in October.

Thanks.

Ted

Dear Ted,
You're correct. I forgot about that. Can you go ahead and hold the 7th on your calendar for now?

Also, would it be appropriate for me to e-mail Ruth at home regarding her availability? I wasn't sure if she had access to her work e-mail (or if she would mind the interruption).

Valerie,

I am available on September 7. According to my calendar, the afternoon of Sept. 5 (your morning) is the RASS/diesel dry run.

All the best.

Subject: Understanding Smoking and Health Review - Neuchatel Projects

Hi all:
I am trying to schedule the Understanding Smoking and Health project review. Since the projects in this part of the plan are so numerous, I am breaking the review up over several half-days. We will cover all of the Neuchatel S&H projects together in one half-day (excepting Matthias').

To that end, could you advise me of your availability on the following dates:
-September 5
-September 7

PM3001322911

The review of the Neuchatel projects in this portion of the plan will require about 3.5 hours (app. 15 minutes per project). We should start at 8:30 am Richmond time and wrap-up around noon.

Please let me know your availability by next Tuesday (**August 21**).

Thanks and best regards,
Valerie
